

Monthly Coaching Program

This program is about scoring, results, keys to purposeful practice and enjoyment of your golf game.

On course sessions will help to change the mindset of your game, and see where improvement is required. Playing lessons work on strategy, keys to scoring and being able to correct your game without the “blow out” holes.

The two hour coaching sessions work on areas that are most needed for improvement e.g. 90 metres from the hole, greenside approach, etc.

Program times per month are

- 1 x 3 hour on course session
- 1 x 2 hours skill session on range.

There are six sessions running per month, including a Sunday **Program attendees that work have priority for the Sunday sessions. All sessions are held at Bonnie Doon Golf course.

Small groups of 2 – 4 persons to ensure focus on individual requirements.

Costs.

Minimum 3 month commitment @ \$245 per month. Payment in full prior to commencement.

Additional 3 month extension @ \$220 per month.

Cancellation or notice of change is a minimum of 48 hours. Failure to notify will result in the cost of that session will be deducted from your total package.

Change due to injury, business, or holiday must also be pre advised **within 48 hours** and alternative session times discussed with Dennise.

Note: Inclement weather may result in changes to the session times and will be discussed at the time to ensure attendees do not miss any part of the program.

This coaching program will improve your game, your ability to score and enable you to play a consistent game. All of which means better enjoyment of your game.
