

DENNISE'S NEWSLETTER NOVEMBER 2009 Vol.2 2009

For the second year running the New South Wales team won the Australian Women's Interstate Teams series played at Peninsula Golf Club. NSW upstaged Western Australia in heavy rain to win the Gladys Hay Cup. The **NSW team won 4 out of 5 singles matches in the morning only needing one match in the foursomes to win. Dennise said she was very proud of each of the team members and they had worked hard all year** Team members included Rebecca Flood (captain), Sue Fairhurst, Nerida Gregory, Justine Lee, Allyce Watkinson, Olivia Wilson and team assistant Jane Seale. Congratulations to the team and our very own coach, for a fantastic win for the blues!

Following the win, Golf Australia announced Dennise's appointment as the National Coach for the **Australian Women's Team competing in the World Cup (Espirito Santos)** to be played in Argentina in October 2010. This is the first time that a female teaching professional has been appointed to the role. Dennise takes over the position previously held by the greatly respected Ian Triggs, coach of Karie Webb.

Dennise was also named coach for the Queen **Sirikit Cup in New Zealand in April 2010 she was the first woman to be appointed to this position in 2009**

Modest as always, Dennise said, "It's wonderful to be coaching all golfers from the beginner to the elite players. I just love golf and helping people to play their best and enjoy the game".

We love you too Dennise!
Need someone to carry the bags!

HALL OF FAME

Mary Wilde

Won everything in her sight!

Nerida Gregory

Off to the Junior World Championships in China.

Kerrie Cunningham, Caroline Capeline, Gail Booth – all had great handicap reductions.

GOLF SCHOOLS

In October, a group of merry makers headed to Kangaroo Valley Golf and Country Club for the bi-annual Short Game Golf School. The object of this school was to teach short game techniques and build confidence on and around the greens. A few bunkers were also added for the fun of it!

Players were drilled and grilled about chipping set-up and maintenance of the arm/chest triangle through this short swing plane. Coupled with putting grip, set-up and distance control, the aim was to achieve "up and downs" as so often is needed during a round of golf. The picturesque country course, which winds around the escarpment, also opened the way for some uphill, downhill and side hill tuition. Fun was had by all in perfect weather, learning new tricks with a great group of golfers. Winners were grinners at Kangaroo Valley!

...Andrea Tomlin (St Michaels) and Lynn Peaty(Cronulla)

UPCOMING SPECIALISED GROUP CLINICS

Long Game Clinic (3 hours)

December 31st time: 9.30 – 12.30
Barton Park Golf Range
